

INITIAL STARTER PACKAGE

- **\$39 starter package:** creates the account, includes 420 credits (offer: 20 characters + 400 scenes – **approx: 20 - 20 page books**), sets = purchase date + 1 year. This is the only way to become a registered user.
- **Credit top-ups** (\$10→100, \$20→220, \$30→350): available to existing users only, each purchase *also* resets to 1 year from that purchase.
- **Storage lapse:** when passes with no renewal, account **locks** (data stays, generation/access blocked) rather than deletes. Purge is a manual, later decision — not automatic.
- **All payments are one-time Stripe Checkout charges** — no recurring subscription object, no auto-billing, no dunning complexity.
